**NOTE 1:** The production totals for Style Number RH46 and RH45 include production of Satellite Sport station wagons, as no separate breakouts are available for Satellite sport wagons.

**NOTE 2:** The Belvedere two-door coupe (Style Number RL21) replaced the 1967 two-door sedan. However, original records that were available in the Chrysler Historical Archives had shown 39,488 two-door sedans were also built in 1968. This body style may have been denoted as produced for fleet sales, as standard reference sources do not list it as a regular production model. Those numbers do not appear in these totals.
