TWIN H-POWER

You must drive it to believe it...
Nothing like it ever before!

HUDSON HORNET SEDAN IN HUDSON-AIRE HARDTOP STYLING

Hudson's amazing new Twin H-Power is a multiple-fueling system that develops more power from every drop of gas—premium fuel is *not* needed.

Twin H-Power gives you performance plus at the speeds you use in daily travel. Here's power so smooth it's delightful, so responsive it's a thrill!

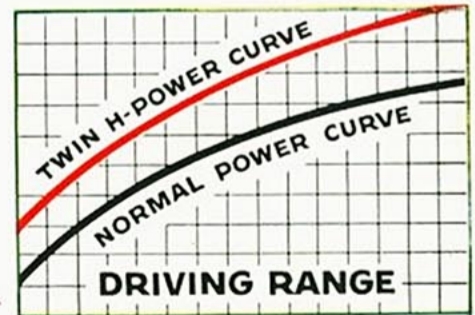

It's restful driving, for you're in charge of every situation—tremendous reserve energy provides a punch to zoom you out of tight spots.

Hudson's exclusive "step-down" design makes for safer driving, too. It gives Hudson America's lowest center of gravity for the world's best and safest ride.

Standard trim and other specifications and accessories subject to change without notice.

FABULOUS HUDSON HORNET AND SPECTACULAR HUDSON WASP

In everyday driving speeds, Twin H-Power gives you performance plus. Available at extra cost in the Hudson Hornet, Hudson Wasp and Commodore Six.

FOUR HUDSON SERIES for '52—fabulous Hudson Hornet, luxurious Commodore Eight or Six, spectacular Hudson Wasp and thrifty Pacemaker.

Overdrive or new Dual-Range Hydra-Matic Drive and Solex Safety Glass (tinted, anti-glare) are optional¹ at extra cost on all models.
